Joseph –

Please see attached the memo referenced in my email below. Work continues on this, and there may be some additions, but this is sufficiently comprehensive as to what has been covered.

Best,

Joseph —

As mentioned on our last call, Dechert has been pulling together a memo that will provide you with cites to where many of the proposed 30(b)(6) deposition topics were covered in prior testimony. We expect that should be ready for circulation later this morning/early this afternoon. Perhaps we can calendar something for Thursday afternoon to further discuss after you have had a chance to review.

Best,

J.I.M.
